Dear Ms. Siefert:

I wish to thank you and College Works Painting for your work in painting my home. One is always cautious when contracting work, especially on something so personal as one's home. Also, it's kind of scary knowing we must live with the color choice we make.

You and College Works Painting made the process very easy. You clearly explained the procedure at every step, offered recommendations when appropriate and conducted the job as promised. My family is very happy with the results.

I would be pleased to recommend your service to anyone.

Sincerely,

Jack W. Jenkins
